## LIFE GROUPS

We are designed for life together. At Peace Lutheran Church we encourage everyone to be part of a regular small group gathering which we call Life Groups. Life Groups {i.e. small groups} are the key ways to get connected, be encouraged to grow spiritually, learn the Bible, make friends, enjoy fellowship, share life and grow together. Life Groups are the primary way we help people grow and mature in their faith. We believe that growth in our relationship with God and one another flows out of our Life in the following relationships:

- Life with God
- Life with Others
- Life of Service
- Life of Witness

To help us understand and grow in these significant relationships, we offer 3 ways for you to connect at Peace through the following Life Groups: 1) Bible and Christian Living studying and applying God's word to our lives; 2) Serve Groups serving together in our church and communities; and 3) Special Interests groups where groups of people meet around common interests (knitting, sports, reading, sports, young adults, families, etc.). All groups are excellent ways to connect at Peace. You'll find there is at least one group that is a perfect fit for you.

Life Groups are an important part of our discipleship process. In our Life Groups we encourage everyone to build a loving community for people to grow more like Christ through:

- Worshiping, praying and exploring God's Word together (Worship);
- Developing meaningful relationships rooted in Christ (Connect);
- Serving and reaching out to others (Serve).

## ALL-IN SERIES

Twice a year we also offer an All-In Series (Fall and Spring) for people to either join a group, lead a Life Group, or for those already in groups break from their usual schedule and join All-In. During our All-In Series our Pastors ask everyone currently in Life Groups and those yet to join a group to participate in this 6-7 weeks study.

If you have questions about Life Groups, check out the FAQ {Frequently Asked Questions}, or contact Christine Pearson at 443-758-7576 or [garychris@reagan.com](mailto:garychris@reagan.com).
