LEADING A GROUP

INTERESTED IN LEADING A GROUP?

Anyone at Peace can turn their existing relationships, gifts, interests, passions, and hobbies into a Life Group. If you have an idea for a Bible study, support group, recreational or whatever, pray and consider making that a Life Group for the next quarter or 18 – 24 months. Or, if you are currently in a Life Group you can lead an All-In Series group for 6-7 weeks without leaving your current group.

HOW TO BECOME A LIFE GROUP LEADER

We want every Life Group Leader to understand the vision and mission of Peace Lutheran Church, so the first step in becoming a Life Group Leader is to become a member at Peace. Contact Polly Wegner at pwegner@peaceluthern.net for steps toward membership, and Christine Pearson at 443-758-7576, or garychris@reagan.com on how to become a Life Group leader.

LIFE GROUP HUB TEAMS – UNDER DEVELOPMENT

We are developing Life Group Hub Teams – Teams organized around our 3-types of Life Groups here at Peace. These teams will be forms to coordinate and support our 1) Bible Study and Christian Living Groups; 2) our Serve Groups; and, 3) our Special Interest Groups.

These Hub Group teams will be designed to support our Life Group Leaders at Peace. Our Leaders will be paired with a coach to personally support, pray regularly for the Life Group Leader, and check in during the time you lead, and even visit with your group. Our Hub Group Teams are here to help you as you lead your Life Group.
