

## Field Trips

In-School Field Trips are planned from time to time to enhance your child's learning throughout the school year. These trips include but are not limited to special visitors, nature walks outside Peace's fenced-in areas to the school field, walks around the Peace Lutheran Church building, or walks within the Peace Lutheran Church building. Classroom teachers will supervise all children during these special events.

Field Trips may be planned on occasion to an off-site location. In the event of an Off-Site Field Trip, a permission slip will be sent home in advance. No child will be permitted to go on field trips, whether it is in-school or off-site, without a signed permission form.

I permit my child, \_\_\_\_\_, to participate in all in-school field trips. This agreement is in effect from August 1, 2024 - July 31, 2025.
