WELCOME TO PEACE

Thank you for choosing to worship with us. If you're new here or have questions, please stop by the Got Questions Booth, across the hallway from the sanctuary. Visitors are welcome to pickup a Bible as our gift to you. Children are most welcome in the service, but should you need it, there is a nursery for infants through 3-years-old, and a cry room located near the entrance of the sanctuary. Please fill out the attendance card in the pew and hand it to an usher during communion or as you exit the church.

Thank you & God bless your week!

Did you ever wonder how the early Christian church formed, or how we developed the creeds we profess, or how we have come to our modern understanding of who Jesus is and what His powerful work here on Earth accomplished for us? Here's a text that will shed light on these and other topics that the early church worked through: **The Great Jesus Debates - 4 Early Church Battles about the Person and Work of Jesus** written by Douglas Johnson (232.09 Joh). In this text, you will read about how these debates (along with the help of the Holy Spirit) led to the development of the creeds and foundations of thought that shape our understanding of our Savior and His work on Earth.

Peace To You is on KHOW radio every Sunday morning at 7:30am. We reach so many with our radio ministry every week. In the office we are always getting calls from the folks out in radio land, telling us what a blessing our radio ministry is to them. Some are shut-ins and can't get to church, some are just unchurched. Please remember to support our radio ministry, it really does make a difference in the lives of so many!

Safety & Security Training October 12

(Saturday) from 8a-noon. Training by a former police officer who teaches church security training along with being a certified firearms instructor. He also teaches concealed weapons classes & can provide certifications for the permit. His church training class lasts 4 hours and has interactive video training similar to shoot don't shoot training. He has scenarios in the training that he has developed specifically for churches. We are working on the funding out of our security budget to assist with the overall costs. We need to know how many of you would want to attend so we can establish funding and let the trainer know how many would be attending. Please let me know via security@peacelutheran.net or text Jay Steele at 720-236-5285.

Missions

We tithe from the offerings so generously given to us each year. One of the missions we support is **Lutheran High School Parker** - a Christian private school that provides an educational experience rooted in scripture. Enrollment is open to all whether they belong to the Christian faith or not. They boast a 100% graduation rate; 96% of graduates attend a 4-year college; 4% attend a trade school or join the military. Find out more at lhsparker.org
