**WELCOME TO PEACE**

Thank you for choosing to worship with us. If you're new here or have questions, please stop by the Got Questions Booth, across the hallway from the sanctuary. Visitors are welcome to pickup a Bible as our gift to you. Children are most welcome in the service, but should you need it, there is a nursery for infants through 3-years-old, and a cry room located near the entrance of the sanctuary.

Would you please take a minute to fill out the attendance card in the pew rack in front of you? If you are interested in membership at Peace you can leave you contact information on the attendance card or use the Big QR code on the back page of this bulletin. Follow that link and click Interested in Membership. Fill out that brief form and Kelsey Wilbern, our New Member Coordinator will reach out to assist you. Thank you & God bless your week!

**King Me!** Before the glory days of King David and King Solomon, Israel's Monarchy got off to a rough start. After the period of the Judges, God led His people through a prophet. A prophet was someone who delivered God's message to His people, but did not rule over them in power as a king would. Eventually, God's people insisted upon having an earthly king like the surrounding nations did. We can learn a lot about God and ourselves through the events that unfolded during the first years of Israel's monarchy.

Peace ELC is highly ranked and an accredited learning center. Last week we celebrated our ELC and all Lutheran Schools and their commitment to providing Christian-based education from cradle to college. Please keep our schools and their staffs in your prayers as they share the love of Jesus with their students and families. If you'd like more information or know of someone would like to serve in our ELC, contact Angelica Gile.

Receivers for those with hearing loss are available from an usher.

Was one of your New Year's resolutions to spend more time reading God's Word? Our library has a full set of wonderful support materials to deepen your understanding of each book of the Bible called **The People's Commentary Bible**. (220.7 Peo) These commentaries are written by Lutheran pastors and published by Concordia Publishing House. They are easy to read and understand and incorporate historical background, cultural information of the time period, and other meaningful insight to broaden your understanding of the text. Each book of the Bible is broken down into sections of Scripture verses with a following explanation of the text plus educational notes, maps, and some illustrations. These are great resources to accompany any Bible study you might be involved in during the year!

**missions**

We tithe from the offerings so generously given to us each year. One of the missions we support is **Lutheran High School Parker** - a Christian private school that provides an educational experience rooted in scripture. Enrollment is open to all students, whether they belong to the Christian faith or not. They boast a 100% graduation rate; 96% of graduates attend a 4-year college; 4% attend a trade school or join the military. Find out more at lhspar-
