WELCOME TO PEACE

Thank you for choosing to worship with us. If you're new here or have questions, please stop by the Got Questions Booth, across the hallway from the sanctuary. Visitors are welcome to pickup a Bible as our gift to you. Children are most welcome in the service, but should you need it, there is a nursery for infants through 3-years-old, and a cry room located near the entrance of the sanctuary.

Would you please take a minute to fill out the attendance card in the pew rack in front of you? If you are interested in membership at Peace you can leave your contact information on the attendance card or use the Big QR code on the back page of this bulletin. Follow that link and click Interested in Membership. Fill out that brief form and Kelsey Wilbern, our New Member Coordinator will reach out to assist you. Thank you & God bless your week!

The rulers of the Gentiles lord authority over them. Not so with you.
Instead, whoever wants to become great among you must be your servant.

Save the Date for VBS - June 9-13. We are beginning to recruit volunteers. Registration begins in April. Please talk to Lydia if you are interested in being part of this fun outreach to kids at Peace and kids in our community.

February: "Like a Boss" will challenge several aspects of our lives because Jesus' teaching completely flipped the norms. There is always a contrast between what He said and what the world around us claims. Jesus didn't say things without purpose or authority. And He made it understandable for the common person to take what He said and put it into practice. We'll focus on the fact that these words of Jesus have authority even over the current leaders and need no other source to back them up. He IS the source. Jesus talked like a boss!

If you'd like more information or to arrange a tour, or know of someone who would like to serve in our ELC, contact Angelica Gile.

Receivers for those with hearing loss are available from an usher.

Esteemed author, C.S. Lewis has written many novels and other books that help establish our faith. Here is one such novel that is a must-read: **Miracles - How God Intervenes in Nature and Human Affairs** (231.73 Lew) In this book, C.S. Lewis explores the nature of miracles, arguing that they are acts of Divine intervention that reveal God's presence in the world. He emphasizes the compatibility of faith and reason, knowing that understanding miracles deepens one's appreciation of the Christian faith and the absolute reality of the supernatural.
