

## Social Media Photo Release

Peace Early Learning Center is on Facebook and Instagram! The social media pages will be used to reiterate announcements that are sent through parent messages on Brightwheel, as well as reminders about upcoming events, highlight special achievements, and share photos/videos of our day-to-day operations. We also use photos on our website!

We understand if you are uncomfortable with your child being on social media. We will never post, share, or publicize any identifying information such as names, birthdates, or other private information. Our number one priority is the safety of our students. We want our families and students to know that Peace is a safe environment for the children to learn and grow. Please select and initial one of the following statements:

\_\_\_\_\_ I permit my child's photo/video to be posted on the Early Learning Center's Facebook and Instagram pages for news, announcements, and special events, and on the Early Learning Center website.

\_\_\_\_\_ I permit my child's photo to be posted solely on the Early Learning Center website. I do not permit social media use of photos/videos of my child.

\_\_\_\_\_ Please do not post any pictures of my child other than to Brightwheel.
