Taught In A Simple Way

Learning from Luther's Small Catechism

Sermon: *He is...The Creed*

What is the Small Catechism?

Martin Luther wrote the Small Catechism in 1529 as a concise instruction book to help parents and pastors teach the foundational truths of the Christian faith. It addresses the widespread illiteracy and lack of basic theological understanding in the 16th century by boiling down core teachings into six Chief Parts: the Ten Commandments, the Apostles' Creed, the Lord's Prayer, Baptism, Confession, and the Lord's Supper.

As the head of the family should teach them in a simple way to their household.
