Library: The Gospel According to Paul, by John MacArthur (227 Mac) is an exploration of the core message of the Good News as taught by Paul. MacArthur addresses foundational inquiries such as: What is the true gospel? What are its non-negotiable elements? How can believers ensure they understand the message? How should we proclaim the Good News to others? MacArthur's insights into the life and teachings of Paul are sure to enrich your faith and strengthen your understanding of the doctrine of salvation.
