Taught In A Simple Way

Learning from Luther's Small Catechism

Sermon: *Forgiven…Confession and Absolution*

What is the Small Catechism?

Martin Luther wrote the Small Catechism in 1529 as a concise instruction book to help parents and pastors teach the foundational truths of the Christian faith. It addressed the widespread illiteracy and lack of basic theological understanding in the 16th century by boiling down core teachings into six Chief Parts: the Ten Commandments, the Apostles' Creed, the Lord's Prayer, Baptism, Confession, and the Lord's Supper.

As the head of the family should teach them in a simple way to their household.

Here is what we believe about Jesus' words…

I believe that when the called ministers of Christ deal with us by His divine command, in particular when they exclude openly unrepentant sinners from the Christian congregation and absolve those who repent of their sins and want to do better, this is just as valid and certain, even in heaven, as if Christ our dear Lord dealt with us Himself.
